### **STUDY VISA – SECTION 13**

Study permits are valid for the duration of the course for which they are issued, alternatively 36 months for school and 24 months for other institutions.

As a holder of a study permit you may also apply for permission to work for the purposes of getting work experience, as part of your studies to obtain a diploma or degree by submitting:

- an offer to do practical training
- consent from the educational institution
- proof that you are still a registered student

The Department's consent to get practical training as part of your studies is issued free of charge provided that you are a registered student and that your study permit remains valid for the entire duration of the training period. The application for the endorsement to work is done at a Visa Facilitation Office in South Africa

Alternatively, as a foreigner studying at a higher educational institution with a valid study permit, you may work part-time for no more than 20 hours per week. However, you **may not** work during academic vacations.

The overriding consideration in processing applications for study permits are that:

- No foreigner may displace a South African citizen/resident at a local educational institution
- The student must have proof of sufficient funds to pay for day-to-day living expenses, accommodation as well as tuition fees during his/her stay in South Africa
- The student must have adequate medical cover with a registered South African medical scheme and proof thereof

### **VISA FEES**

- Visa fees are subject to change annually.
- A visa fee of AR\$576.00 will be requested. This must be paid in the exact amount in cash at the time of application.

### **PROCESSING TIME**

- 10 – 15 Working Days

### **RENEWAL AND EXTENSION OF VISAS**

The Embassy does not renew or extend visas therefore each application will be treated as a new application and all supporting documentation must be submitted.

**PLEASE NOTE:** No person holding a visitor's visa may apply for a change of status to his or her visa while in the Republic, unless under exceptional circumstances set out below:
